

S3m

UNIVERSAL HEADPHONE FOR ANY DEVICE

Specifically engineered for mobile devices, the Klipsch S3m headphones give you a front stage pass to your music collection whether you are an Apple, Android*, Windows or BlackBerry user. This is the ultimate hassle-free headphone thanks to a nifty single-button remote and mic which gives you total control of both your playlist and phone calls on virtually all of your mobile devices.

LEGENDARY KLIPSCH SOUND

No matter your device, the S3m brings the best possible sound, producing dazzling highs and lows thanks to a customized 5.8mm moving-coil driver.

PATENTED OVAL EAR TIPS

The S3m utilizes the patented Klipsch oval ear tip design making them virtually impossible to feel and perfect for long-term wear. Oval ear tips fit better, feel better and only Klipsch has them.

ALL ABOUT THE EXTRAS

The S3m comes with three pairs of different-sized oval ear tips, clothing clip, a carrying case and 2-year warranty.

FUNCTIONALITY

Using the S3m's one-button remote and microphone, it is possible to:

- Answer/end calls
- Play/pause
- Track forward/track back

*To enable complete functionality of your S3m headset on Android, please download the free Klipsch Control App.
