

Flangeless 6.5" 70V/100V Commercial In-Ceiling Speaker

The FACTOR 600T 70V/100V Commercial 6.5" In-Ceiling Speaker exemplifies our commitment to quality, delivering exceptional sound performance. A notable feature of this speaker is its specially engineered baffle with a concave dimple pattern, which enhances the accuracy of high frequencies. This design ensures that every note is clear and precise, providing an unparalleled audio experience.

In addition to its superior sound, the FACTOR 600T is designed with aesthetics in mind. It features a modern, no-edge design and a sturdy, dual-coated steel grill that can be painted to match any ceiling color. Our team remains enthusiastic about audio innovation, and we continue to be thrilled by the perfect sound our products deliver. As always, each of our speakers is backed by our LIFETIME WARRANTY.
